

Seeking Charitable/Tax Deductable Donations for New Nature Preserve

The Turkey Creek Nature Preserve in Pinson, AL is a newly established 466+ acre nature preserve. We are in need of specific items that are in still good working or usable condition. The preserve is developing hiking trails, public interpretive areas, an information/nature center, as well as general public commons areas. We are in need of a variety of items that would aid in development of the preserve.
