

RESOLUTION NO. 15-53

**A RESOLUTION CALLING FOR A SPEED AND
ROAD SAFETY CONTROL AGREEMENT
BETWEEN THE CITY OF PINSON AND
JEFFERSON COUNTY, ALABAMA**

WHEREAS, the City of Pinson has a desire to maintain safe roads and driving standards throughout the city.

WHEREAS, the City of Pinson has many miles of roads within the city's corporate limit that are fully maintained by Jefferson County.

WHEREAS, the City of Pinson has desire to establish a working agreement with Jefferson County with regard to speed and safety control measures on county maintained roads within the city's corporate limit..

THEREFORE BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF PINSON, ALABAMA while in regular session on Sept. 17, 2015, at 7:00 p.m. as follows:

1. The City Attorney is authorized and directed to research and develop a contractual agreement between the city and Jefferson County that will allow the city to install traffic and speed control devices and related measures on County maintained roads that are within the city's corporate limit.
2. This agreement shall contain language requiring the city to assume all liability that may arise as a direct result of the installation of the speed control devices.

3. This agreement shall contain language requiring the city to assume responsibility for all costs for installation, the service and maintaining of, and the removal of speed control devices should removal be required for street resurfacing operations in the future.
4. This agreement shall contain language stating that Jefferson County shall continue all other maintenance required to maintain the roadway at no cost to the city, except for those areas called out from the installation of city requested speed control devices.

ADOPTED this the 17th day of September 2015.
